ANNEX 1

Rules for mobility

The mobility period must range from a minimum of one month to a maximum of six months.

The Guido Berlucchi Foundation funded mobility period can be part of a longer mobility period; however, the candidate must indicate in the application the entire length of the mobility, and detail the other resources used to finance his/her mobility.

The mobility period covered by the Berlucchi Foundation grant must be included between 1 November 2025 and 31 October 2026.

On the first day of mobility, the Hosting Organisation has to confirm the Applicant's arrival and the duration of his/her stay.

On the last day of mobility, the Hosting Organisation has to confirm the Applicant's departure.

Within fifteen calendar days from the end of his/her visit, the Applicant has to send the duly filled *Mobility Report*. The Mobility Report template is annexed to this Call.

Funding rules

During the mobility period, the successful Applicant will continue to perceive his/her fellowship/grant/salary and must be insured by his/her Sending Organisation, i.e., the Guido Berlucchi Foundation does not cover any fellowship or salary or part of it.

The Guido Berlucchi Foundation mobility grant supports travel costs and living allowance. The total grant awarded will depend on the distance between the Applicant's Sending Organisation and the Hosting Organisation and the number of days of the visit. The maximum total grant allowed is 7.500 euro per mobility.

Travel Allowance

The contribution to travel costs is a lump sum of 500 euro if the Hosting Organisation is geographically located in Europe and of 1.000 euro if the Hosting Organisation is geographically located outside Europe (i.e., UK is in Europe, therefore the travel allowance is 500 euros; USA are outside Europe, therefore the travel allowance is 1.000 euros).

Living Allowance

The living allowance is to cover normal living and incidentals expenses (food, daily travel to and from work, etc). The contribution is based on unit costs expressed in person-day. The unit cost is defined as 40 euros/day.

Costs not granted

- Costs pertaining to administrative procedures, such as passports and visas, medical coverage, insurance of any kind, relocation, bank charges and family travel are at the expense of the successful Applicant. Successful Applicants will not be privileged to any tax exemptions on the grant received.
- Laboratory costs and bench fees are not granted. These costs are covered by the Hosting Organisation.
